01 PROFILE

Highly motivated and detail-oriented computer science student with a strong foundation in programming languages, data structures, and software engineering. Proficient in web development frameworks and technologies, with experience in designing and developing user-friendly and responsive web applications.

02 EMPLOYMENT HISTORY

Oct 2025

Frontend Developer Intern at Hexohub STEM Center Accra

As a frontend developer at Hexohub STEM Center, I worked on designing and developing user-friendly, responsive and scalable web applications using modern frontend technologies.

Designed and implemented visually appealing and interactive user interfaces using HTML, CSS, and JavaScript

- Developed and maintained multiple web applications using React.
- Connected backend to integrate APIs and ensure seamless data exchange
- Implemented responsive design principles to ensure optimal user experience across various devices and screen sizes
- Participated in code reviews and ensured high-quality code standards
